Draw It

Draw food that is a want but not a need.

Mrs. Rabbit goes to the store to buy food.

What happens when we go to the store to buy things?

When is food a want? When is food a need?

Poll

Mrs. Rabbit told her children that she was out of berries. The bunnies had to make a choice. Should they play or pick berries for their mom?

Should the bunnies play or pick berries for their mom?

- play
- pick berries for their mom

Flopsy, Mopsy, and Cottontail made the choice to help their mom.

Poll

What choice should Peter Rabbit make?

What should Peter do? Should he play or help his sisters pick berries?

- Play
- Help his sisters

Draw It

Peter made a different choice. He decided to sneak into Mr. McGregor's Garden. Did he make a good choice? What could happen?

Peter made a different choice. He decided to sneak into Mr. McGregor's garden. What do you think will happen?

Draw It

Peter snuck into Mr. McGregor's garden and started eating vegetables. Do you think this was a good choice? How does this make you feel? Draw a face to show how you feel.

Peter snuck into Mr. McGregor's garden and started eating vegetables without asking. Do you think this is a good idea? How does this choice make you feel? Draw a picture of how you feel.

Draw It

Mr. McGregor is a farmer. He grows vegetables to sell at the market. He is using a tool to plant his vegetables. How do you think he uses these tools? Draw a picture of how he uses a tool.

Mr. McGregor saw Peter steal some vegetables so he chased him away.

When he was running away, Peter got stuck in the fence.

Open Ended Question

Peter's jacket got stuck in the fence and Mr. McGregor is coming! How can he solve his problem?

Draw It

What is good about Peter's decision to leave his jacket behind? What is bad?

What is good about this decision to leave his jacket behind? What is bad?

Good	Bad

Draw It

The next day, Mrs. Rabbit talked to Mrs. McGregor. They decided that Peter and Mr. McGregor need to make up. Mrs Rabbit said Peter will pay for the vegetables he took. How can Peter make money?
